2022 LES MEHRHOFF PLANT BIODIVERSITY PRESERVATION GRANT APPLICATION CHECKLIST:

(Please attach only the materials listed below and adhere to the page and word limits)

- Application Form (2 pages)
- One Page Project Summary (limit 400 words)
- One Page Budget (income and expense projections)
- Two (2) Photographs of the Site or Project Area
- Certification for Proper Pesticide Use (if applicable)

APPLICATION CERTIFICATIONS (please note that applications will not be accepted without the endorsement of these certifications):

- 1) I/We agree to recognize the Connecticut Association of Wetland Scientists (CAWS) as having supported this project, and to submit a project report and expenditure summary at the completion of the project (or after one year for ongoing projects).

Initials_____

- 2) I/We agree to present the project results at the next annual CAWS meeting. This presentation may be in poster format and/or a short (5 minute) slide presentation. If I/we am not able to attend the meeting in person, I/we will notify the CAWS president at least 90 days prior to the next annual meeting.

Initials_____

- 3) I/We certify that, as a recipient of the Les Mehrhoff Plant Biodiversity Preservation Grant, any funding from this grant which is used for the application of pesticides will comply with all State of Connecticut pesticide application rules and regulations, particularly for the use in and around wetland and watercourse areas.

Initials_____

- 4) I/We certify that, as a recipient of the Les Mehrhoff Plant Biodiversity Preservation Grant, that I/we will obtain any/all relevant land use permits that may be required from Federal, State or local agencies *prior* to implementing any proposed actions associated with funding from this grant.

Initials_____
